PRESIDENT'S MESSAGE John Schwartz

Chapter Meeting: **Wednesday November 9th @**
 The Country Club of Sioux Falls
 Social 5:00, Dinner 5:30, Program 6:00-7:00

RSVP at our Chapter homepage (www.sdashrae.org) no later than Noon on Friday, November 4th. <http://sdashrae.org/meetinginfo.php>.

Chapter Members and Guests,

November's evening meeting should be eventful. We will have our DRC, Blake Ellis, here for the meeting, it will be student night and we will have an ASHRAE distinguish lecturer (DL) as our technical speaker. Let's have a great showing for November!

We had a perfect day & a fun time for our second annual ASHRAE shoot-out on October 21st at Hunter's Point. Thank you all that attended and Kevin Eggert for putting it together.

I am still hoping a couple members will step up and fill in our two open at-large positions on the BOG.

Don't forget you may utilize our Chapter webpage (<http://sdashrae.org/>) to save future meetings to your calendar. Go to the Events tab, then you can select any of the future meetings which will take you to the link with that meeting's information and an icon to Add to Calendar.

Please mark your calendars and register early. See you all November 9th at The Country Club!

-John
