

ASHRAE BLUEPRINT

January 2018

PRESIDENT'S MESSAGE Stuart Oster

Chapter Meeting: Wednesday January 10th @
The Country Club of Sioux Falls
Social 11:45, Lunch 12:00, Program 12:15-1:15

RSVP at our Chapter homepage (www.sdashrae.org) no later than Noon on Friday, December 1st. <http://sdashrae.org/meetinginfo.php>.

Happy New Year to everyone! It's sure hard to believe that another year has passed us by. With that we look forward to a very big year in 2018 for our chapter. The big event for our year will be hosting the 2018 CRC for Region IX from August 2-4. The event will be held at the Hilton Garden Inn in downtown Sioux Falls. We have put together a CRC committee to help plan the event, however, we will need to engage the assistance of many members to help do the legwork for the events. In the coming months as plans are further developed, we will be asking for your help. Please consider lending a hand wherever you can to help our chapter make this a successful event. This is a reflection of our entire chapter. After the 2018 CRC they will be trying a "Super" CRC in 2019 in which the event will be combined with Region X in San Diego, CA. I believe it is a positive thing and will be the way CRCs happen in the future.

Another reminder that the ASHRAE Winter Conference and AHR Expo will occur in Chicago on January 20-24. This would be a good opportunity for all those attending to see products available in our industry, take technical tours, and sit through technical seminars for additional education. Visit ashrae.org/chicago to see the winter conference information and for registration.

Also, don't forget you may utilize our Chapter webpage (<http://sdashrae.org/>) to save future meetings to your calendar. Go to the Events tab, then you can select any of the future meetings which will take you to the link with that meeting's information and an icon to Add to Calendar. Please mark your calendars and register early.

See you all January 10th at The Country Club!

-Stu

ASHRAE BLUEPRINT

CTTC Nathan McKenzie

Guest Speaker: Jeffrey D. Schmitt, Chief Planning and Zoning Official City of Sioux Falls, South Dakota

Mr. Schmitt is responsible for administering planning and development programs and zoning policies for the orderly, efficient, and safe development of the city of Sioux Falls. His main emphasis is on coordinating future- and current planning issues, including transportation, land use, and neighborhood conservation with private development activity.

Mr. Schmitt organized the update of FEMA's Flood Insurance Rate Maps, facilitated the amendment to the Sioux Falls Comprehensive Plan, developed the Long Range Transportation Plan for the year 2025, and completed the Eastside Corridor Environmental Assessment.

Prior to his current position, Mr. Schmitt was involved in planning management for the City of Aurora, Colorado, and helped to facilitate the redevelopment of Stapleton Airport, Lowry Air Force Base, and Fitzsimons Army Medical Hospital.

Presentation Title: "Growth and Development of Sioux Falls"

SPECIAL EVENTS Kevin Eggert

Please join for the annual ASHRAE Valentine's day gathering at the Old Towne Dinner Theatre in Worthing, SD. This year's show is Nana's Naughty Nickers in which Bridget and her grandmother are about to become roommates. However, what Bridget saw as a unique opportunity to stay with her favorite Nana in New York for the summer quickly turns into an experience she'll never forget. It seems her sweet grandma is running an illegal boutique from her apartment, selling hand-made naughty knickers to every senior citizen in the five-borough area! Keep an eye on your inbox for an official invite. See you Saturday, February 17!

The 2017-2018 South Dakota Chapter ASHRAE Line-up:

Sept 20	Noon	Jay Eldridge, Daikin <i>"Chiller System Optimization"</i>
Oct 11	Noon	Scott Blackmon, Hart&Cooling/AMPCO <i>"Factory Built Chimney"</i>
