## PRESIDENT'S MESSAGE GREGG WELCH

Once again our chapter is rapidly approaching the last two meetings of the 2004-2005 year. It's also that time of year when we look forward to the longer days and the warmer temperatures. The annual Valentine's party was attended by many couples at the Old Towne Dinner Theater. The feedback was the food was excellent and the play was good. Thanks to all that attended.

ASHRAE has a SATELLITE BROADCAST/WEBCAST: MOLD IN OUR BUILDING ENVIRONMENT on Wednesday, April 13, 2005, from 12:00 p.m. – 3:00 p.m. CST. The Trane Company has again offered their facility to host the broadcast. Details to follow in the next Blue Print.

Our next meeting is March 2nd, 2005. The theme for the March meeting is "Membership Night". The social hour will be at 5:30 p.m., dinner at 6:30 p.m., meeting and program to follow. The members' challenge for the March meeting is to bring a prospective member to the meeting. As all of you are aware, the chapter's success is due to the high membership count. We need to continue to promote ASHRAE in our industry and promote the value of being involved in our chapter.

See you at Westward Ho on Wednesday evening.

## PROGRAM GREG HINTGEN

Thanks again to last months speaker Richard Hayter. Having a distinguished lecturer, especially one that is an alumni from South Dakota, is always an honor for a chapter. His program on Communications can be useful for everyone.

March's program will be from David Day with Ebtron. David will be doing a program on "ACCURATE CONTROL OF OUTDOOR AIR FOR IAQ"

Finally, just a reminder to people keeping track of meetings for TEGA points. Please continue keeping records of your meetings so at the end of this year we can collect chapter points. See you all at the Ho!

## SPECIAL EVENTS MICHAEL HEENY

The 2005 annual ASHRAE Fishing Tournament is scheduled for Saturday May 7<sup>th</sup> in Chamberlain, SD.
