The holidays are right around the corner, which means it's time for our December meeting. With the busy time of year we have opted for a lunch meeting.

The Board of Governors has been working hard to bring interesting and educational topics this year. We are doing this to make sure that members are getting value from our chapter. One of our chapter goals this year is to not only increase membership, but to increase active membership. At last month's meeting, I asked everyone in attendance to please bring someone else to the next meeting. Think of it as a snowball dance, but for ASHRAE. Please try to make the next meeting, and bring a friend!

We are still looking to fill the 3rd member at large position on the board of governors. Please contact me if you're interested.

We are now on Facebook. Please look for the **South Dakota Chapter of ASHRAE** and "like" us.

Wishing you and yours a safe and healthy holiday season.

See you at the HO!

-Greg
