PRESIDENT'S MESSAGE Michael Heeny

Chapter Meeting: Wednesday September 12th @
The Country Club of Sioux Falls
Social 11:45, Lunch 12:00, Program 12:15-1:00

RSVP at our Chapter homepage (www.sdashrae.org) no later than 1 pm on Monday, September 10th. <http://sdashrae.org/meetinginfo.php>.

Chapter Members and Guests,

As summer winds down and fall winds up, we are looking forward to another exciting year of ASHRAE. We still have the buzz of holding this year's CRC in Sioux Falls. The feedback received on the event was very positive, in fact some said it was one of the best CRC events that they have attended in a long time. Thank you to all those who helped make this a great event! Thank you to Kasey Abbott, Marty Christensen & Ryan O'Connor for chairing this event. A special thanks to John Schwartz, Kevin Eggert and Nathan McKenzie for going the extra mile to make sure all the details were just right.

We have an exciting opportunity for our first meeting to welcome the AIA SD President Patri Acevedo. With our first meeting landing so closely to the AIA event in Sioux Falls this year, we wanted to take the opportunity to hear something different than what we are used to. She will be presenting on their design award submissions, which include projects that many of our members were involved in.

Lastly, we currently have a few opportunities available for anyone that would like to get involved, including co chairs for membership and CTTC. These would be a great way to get your feet wet by helping out the existing chairs. We are also looking for anyone that would be interested at getting involved on the board level as we have 2 member at large positions available. If anyone is interested please have them contact me.

See you all at Wednesday September 12th for lunch at the The Country Club.

Thank you,
Michael Heeny

ASHRAE BLUEPRINT

CTTC
Nathan McKenzie

As the head of JLG architect's Rapid City office, Patri Acevedo brings over 20 years of experience from around the Country. Patri was the owner and principal at AcV2 architecture prior to merging with JLG Architects. In addition to professional leadership, Patri brings cultural sensitivity to each and every project. Born and raised in San Juan, Puerto Rico, Patri resided in New York, Florida and Texas before making the Black Hills her home. Her varied background enriches the design process and enhances her ability to partner with clients, collaborators, and consultants. Patri is the President of the American Institute of Architects South Dakota.

The 2018-2019 South Dakota Chapter ASHRAE Line-up:

Sept 12

Noon

Patri Acevedo, President of the American Institute of Architects, South Dakota (AIA)
“AIA Design Award Submissions”

The rest of the schedule will be available next month!

Membership
Nathan Larson

If you know of anyone that may be interested in joining ASHRAE, be sure to tell them about ASHRAE and invite them to a meeting. Membership information can be found at www.ashrae.org/members/ or call Nathan at 605-996-7548 with questions.
